

Math 125 Homework Assignments

Important Notes

- “eoo” means every other odd.
- All assignments are found in *Calculus Early Transcendentals, 6th ed.* by James Stewart.
- Each assignment is worth 2 points.
- Please hand in your homework in the *Ungraded* folder and retrieve completed work from the *Graded* folder daily.
- There is no penalty for late work, but you may hand in a maximum of 3 assignments per day and you will receive 5 extra credit points on each chapter exam for having all assignments for that chapter in by the exam day.
