

# Math 99 Homework Assignments

## Important information about homework

- (EOO) means every other odd, e.g., 1 to 13 (EOO) would mean questions 1,5,9 and 13.
- Please hand in your homework in the Ungraded Work folder and retrieve your previously-completed work from the Graded Work folder daily.
- There is no penalty for late work; however, you may hand in a maximum of 3 assignments per day and you will receive 5 extra credit points on each exam if all of the material for that exam is turned in before the exam day.
